The Position:

WebpageFX is looking for a passionate, extremely tasteful and talented Jr. Web Designer / Web Production Manager.

The Company:

WebpageFX, Inc. (<http://www.webpagefx.com>) offers a wide array of design, development, and marketing services aimed at establishing a unique and highly effective online presence for our clients. Founded in 1997, Webpagefx has become a leading force in redesigning the web as we know it. Over the past ten years we have acquired not only valuable experience, but also an exceptional team of designers, programmers, and internet advertising specialists. With every project we take, our goal is to analyze and identify the needs of site users, organize information based on these needs, and develop a finished solution that is both innovative and user-friendly.

Skills:

What You Need:

- Genuine interest and passion for web design & customer service
- Good skills in Photoshop
- Dreamweaver w/ HTML & CSS skills are essential
- High level of design skill and technical proficiency
- An online portfolio with potential
- Ability to coordinate multiple projects
- Knowledge of web design conventions, optimization and best practices

A Plus if you have:

- Customer service training
- Agency experience
- Internet marketing experience
- Basic PHP/MySQL knowledge
- Knowledge of CMS such as Joomla or MODx
- Proficiency in Flash, jQuery, AJAX or Illustrator

Qualities:

- Take direction well, but also able to make decisions and take initiative

- Customer service and customer return on investment focused
- Strong communication skills
- Marketing savvy
- Up-to-date on the latest web technologies.
- Professional, dependable, solid work ethic, detail-oriented, self motivated
- An eye for detail and a dedication to quality
- Energized about Internet design and functionality
- Problem solver

Preferred Education:

Associates Degree (Preferably in art design, web design or related degree)

Experience:

1 to 3 years

Salary Range:

\$25K to \$36K {Based on portfolio}

Perks:

- *Salary Commensurate With Experience
- *Health, Dental, Vision & Fringe Vacation Benefits Package
- *Company matched retirement account
- *Fun creative work environment at rapidly growing company

Office Location:

Carlisle PA in Keystone Innovation Zone

Job Submission Requirements (Note: Primary hiring criteria are applicant sample works):

- *Minimum of 6 URLs
- *Additional URLs (If possible)
- *Resume
- *PDF of additional sample works desired

How to Apply (Interviews are already underway, so please apply without delay):

- E-mail with "Jr. Web Designer" in the subject line
- Submit resume in text of e-mail or as word ".doc" attachment to superjobs@webpagefx.com
- Please include in email: Minimum of 6 URLs, Additional URL (If Applicable) and additional sample works.
- Note: Interviews will be conducted primarily based of talents displayed in sample works.
