The Position:

WebpageFX is looking for a passionate Web Developer intern.

The Company:

Webpagefx, Inc. (<http://www.webpagefx.com>) offers a wide array of design, development, and marketing services aimed at establishing a unique and highly effective online presence for our clients. Founded in 1997, Webpagefx has become a leading force in redesigning the web as we know it. Over the past ten years we have acquired not only valuable experience, but also an exceptional team of designers, programmers, and internet advertising specialists. With every project we take, our goal is to analyze and identify the needs of site users, organize information based on these needs, and develop a finished solution that is both innovative and user-friendly.

We are looking for a part time intern to assist in:

- Take projects from specification to end user experience
- Explain technical ideas and methodologies to peers and management
- Assist development team to create robust, extensible web applications using PHP and MySQL
- Perform minor application updates/enhancements in ASP and .Net

Interns do not need to have all of the qualifications or experience listed below, but a willingness to learn. Ideal intern will have the following traits:

- Student working towards Associates, Bachelors or Masters Degree
- Studying Computer Science, Computer Engineering or related field
- GPA above a 3.2
- PHP/MySQL Experience
- .Net/MS SQL Server Experience is helpful
- ASP/MS SQL Server Experience is helpful
- Dreamweaver experience is helpful

Qualities:

- Up-to-date on the latest web technologies and zeal for the Internet
- Professional, dependable, solid work ethic, detail-oriented, self motivated
- An eye for detail and a dedication to quality
- Approaches problem solving proactively and in a professional manner
- Self-motivated with a high level of initiative and follow-through

Schedule, Hours & Pay Rate:

This position is flexible with hours and days. Intern will enjoy his or her own work space, computer, along with the ability to wear jeans/casual dress to work each day. Letters of recommendation are provided along with the ability to learn valuable skills necessary in the field of web application development and computer programming.

Location: Carlisle, PA

Compensation: \$9 to \$11 per hour

How to Apply:

- E-mail with "Web Development Internship" in the subject line
- Submit resume in text of e-mail or as word ".doc" attachment to superjobs@webpagefx.com
- Please include in email: Any relevant works completed.
